INTERIM FINANCIAL REPORTING
FOR THE THREE-MONTH AND NINE-MONTH PERIOD
ENDED SEPTEMBER 30, 2017
AND REVIEW REPORT OF INDEPENDENT'S AUDITOR**

Independent Auditor's Report on Review of Interim Financial

To the Board of Directors of Thai Film Industries Public Company Limited

I have reviewed accompanying consolidated and separate statements of financial position of Thai Film Industries Public Company Limited and its subsidiaries, and of Thai Film Industries Public Company Limited, respectively, as at September 30, 2017, the consolidated and separate statements of comprehensive income, changes in equity and cash flows for the three-month and nine-month period ended September 30, 2017, and condensed notes ("Interim financial information"). Management is responsible for the preparation and presentation of this interim financial information in accordance with Thai Accounting Standard 34, "Interim Financial Reporting". My responsibility is to express a conclusion on this interim financial information based on my review.

Scope of Review

I conducted my review in accordance with the Thai Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Thai Standards on Auditing and consequently does not enable me to obtain assurance that I would become aware of all significant matters that might be identified in an audit. Accordingly, I do not express an audit opinion.

Bases for Disclaimer of Conclusion

(a) As discussed in Note 20.4 to the financial statements, (1) On May 8, 2008 the Company was sued by a bank as the third defendant in the Civil Court under the contract pledging the shares of an associated company as collateral. On November 29, 2016, the court dismissed the company. On January 26, 2017, the plaintiff has filed an appeal and on March 24, 2017, the Company has filed an appeal. The court has orders to accept and appeals and objections to suspension of enforcement. The Court of appeal will appoint the date for judgment on November 21, 2017. (2) On September 30, 2009, the Company was sued by the same bank as the third defendant under contractual pledge the same issue with the lawsuit case (1) in the Central Intellectual Property and International Trade Court case number black case file Kor Khor 202/2552 under the pledging the shared of an associated company (the first defendant). On June 22, 2017, the Central Intellectual Property and International Trade Court sentenced the Company jointly to repay Baht 902.3 million with interest at the rate of 7.5% per annum of the principal of Baht 600 million since the date of sue up to the date of completed payment. On September 20, 2017, the Company filed an appeal with the Court. At the present, the Court of appeal is considering.

In both cases the company is a defendant of contractual pledge of Baht 600 million. The Company's lawyers give opinion that the pledging of shares as collateral for a period of four years had ended. So the Company is not responsible in the end and the contractual pledge is in case as mention in Note 20.4 (2), is the same contract in Note 20.4 (1) which the court dismissed the company.

(b) As discussed in Note 24 to the financial statements, as at September 30, 2017, the Company has shareholders' equity amounting to Baht 499 million, excluded the contingently liabilities on the sued case in Note 20.4 (2) which the Central Intellectual Property and International Trade Court sentenced the Company jointly to repay Baht 902.3 million with interest at the rate of 7.5% per annum of the principal of Baht 600 million since the date of sue up to the date of completed payment. The Company's ability to continue its operation as a going concern will significantly depend on the results of the case in the Appeal Court. These factors indicated the existence of material uncertainties about the Company's ability to continue its operation as a going concern.

Disclaimer of Conclusion

Because of the significant uncertainties and matters described in the Bases for Disclaimer of Conclusion paragraph could have material effects on the going concern of the Company and could have pervasive effects to its interim financial information as a whole, I was unable to reach a conclusion on a result of my review on the interim financial information.
